

# Saeed Ahmed

## Senior Software Engineer | Next.js, MERN & WordPress Specialist

Islamabad, Pakistan | magsisaeed3@gmail.com | +92 314 7745844 | saeed.devsmates.com

### Professional Summary

Results-driven Senior Software Engineer with 4+ years of experience in building high-performance, SEO-optimized web applications. Specialized in Next.js, MERN stack, WordPress, and CMS-driven platforms. Successfully delivered 15+ projects across real estate, tourism, hosting, and e-commerce sectors, including UAE-based clients. Strong ownership mindset with the ability to handle projects independently from planning to deployment.

### Technical Skills

- Frontend: HTML5, CSS3, JavaScript, React.js, Next.js, Tailwind CSS, Bootstrap
- Backend & APIs: Node.js, MongoDB, REST APIs, Kinde, JProx
- CMS & Platforms: WordPress (Elementor, Gutenberg, ACF, CPT), Webflow, Magento 2, ButterCMS
- Tools & DevOps: Git, Bitrix CRM, Figma, cPanel, Hostinger, DNS Management
- Soft Skills: Client Communication, Problem Solving, Time Management, Team Collaboration

### Professional Experience

#### CTO – Japrox Host (2025 – Present)

Leading technical strategy, infrastructure planning, and deployment workflows for hosting solutions. Managing scalable architectures, security practices, and developer collaboration.

#### Senior Software Engineer – Gubloo Technologies (2021 – Present)

- Developed scalable Next.js applications integrated with ButterCMS.
- Built custom WordPress themes, plugins, and advanced property search & filtering systems.
- Delivered SEO-focused, performance-optimized solutions for real estate and tourism platforms.
- Handled full-cycle development from requirement analysis to deployment & maintenance.

#### Intern Software Developer – Icreativez (2018)

Assisted in prototyping, data integration, testing, documentation, and QA processes.

### Selected Projects
